**INSURANCE REQUIREMENTS:**

Federal regulations require that all J-1 and J-2 visa holders carry health insurance at all times. The MSU host department may purchase this insurance at its discretion. If the host department does not provide health insurance, then it is the scholar's responsibility to obtain sufficient health insurance for the duration of the program for him/her and all dependent family members. Minimum health insurance requirements for J visa holders are as follows:

- \* \$50,000 per sickness/illness
- \* \$50,000 per accident/injury
- \* \$10,000 for medical evacuation
- \* \$7,500 for repatriation
- \* Maximum \$500 deductible

Health insurance for MSU employees meets the above requirements. If the scholar is not eligible for MSU employee health insurance, sufficient health insurance may be purchased through the MSU Benefits Office, from the scholar's home country, or through a private health insurance provider in the United States.
